Discovering the Magic Treehouse Series: A Complete Reading Order Guide

For decades, the Magic Treehouse series has captivated young readers around the world, blending history, adventure, and a touch of fantasy into stories that spark curiosity and a love for reading. Created by Mary Pope Osborne, this beloved book series follows siblings Jack and Annie as they discover a magical treehouse filled with books that transport them through time and space. Whether you are a parent looking for the perfect reading list for your child, a teacher building a classroom library, or a nostalgic adult revisiting a childhood treasure, knowing the Magic Treehouse series list in order is essential for experiencing the full journey.

This guide provides a thorough walkthrough of the Magic Treehouse series list in order, including the main adventures, the Merlin Missions, and the nonfiction Fact Trackers. By the end, you will have a clear roadmap to every book in the series and a deeper appreciation for why these stories continue to enchant millions of readers.

The Main Magic Treehouse Series: Books 1 Through 28

The original series begins with Jack and Annie discovering the treehouse in the woods near their home in Frog Creek, Pennsylvania. Each book takes them on a new time-traveling adventure, often tied to a specific historical event or cultural moment. Here is the Magic Treehouse series list in order for the core adventures.

Books 1 to 8: The First Adventures

The early books establish the rhythm of the series. Jack, the cautious researcher, and Annie, the brave and intuitive sister, learn to navigate the treehouse and its mysterious owner, Morgan le Fay.

- Book 1: Dinosaurs Before Dark – Jack and Annie travel back to the time of dinosaurs and encounter a Pteranodon, a Triceratops, and a fearsome Tyrannosaurus rex.
- Book 2: The Knight at Dawn – The siblings visit a medieval castle, where they explore a banquet hall, a dungeon, and a secret passage while avoiding a knight.
- Book 3: Mummies in the Morning – Ancient Egypt comes to life as Jack and Annie enter a pyramid, decode hieroglyphics, and meet a ghostly queen.
- Book 4: Pirates Past Noon – A pirate adventure on a deserted island introduces them to Captain Bones and a hidden treasure.
- Book 5: Night of the Ninjas – The pair travels to ancient Japan, where they learn the ways of ninjas and discover the power of silence and discipline.
- Book 6: Afternoon on the Amazon – The Amazon rainforest presents challenges like piranhas, army ants, and a jaguar, teaching them about the natural world.
- Book 7: Sunset of the Sabertooth – The Ice Age brings encounters with sabertooth tigers, woolly mammoths, and early human cave dwellers.
- Book 8: Midnight on the Moon – A space adventure takes them to a future moon base, where they experience zero gravity and a lunar eclipse.

Books 9 to 16: Expanding the World

As the series progresses, the adventures grow more complex, introducing new challenges and deeper historical contexts.

- Book 9: Dolphins at Daybreak – An underwater exploration in a coral reef leads to encounters with dolphins, a giant squid, and a mini-submarine.
- Book 10: Ghost Town at Sundown – The Wild West comes alive with cowboys, a mustang, and a ghostly cowboy named Slim.
- Book 11: Lions at Lunchtime – The African savanna offers lessons about lions, zebras, and the importance of helping others.
- Book 12: Polar Bears Past Bedtime – The Arctic tundra introduces polar bears, seal hunters, and the Northern Lights.

Magic Treehouse Fact Trackers: Nonfiction Companions

For readers who want to delve deeper into the historical and scientific topics explored in the stories, Mary Pope Osborne and her husband, Will Osborne, created the Fact Tracker series. These nonfiction books are perfect companions to the fictional adventures. When reviewing the Magic Treehouse series list in order, consider pairing each adventure with its corresponding Fact Tracker for a richer learning experience.

Some popular Fact Trackers include *Dinosaurs* (paired with Book 1), *Knights and Castles* (with Book 2), *Mummies and Pyramids* (with Book 3), *Pirates* (with Book 4), and *Space*(with Book 8). Each Fact Tracker provides photographs, illustrations, and additional facts that complement the story without repeating it.

Why the Magic Treehouse Series List in Order Matters

Reading the series in the correct order enhances the experience for several reasons. First, character development unfolds naturally. Jack and Annie grow from curious children into confident problem-solvers, and their relationship deepens with each adventure. Second, the magical treehouse itself evolves. In early books, the treehouse is a simple time machine. Later, it becomes a gateway to more complex missions guided by Merlin. Third, the historical settings build on each other. A child who reads
