The key to unlocking this opportunity lies in correctly understanding and completing the **Old Harbour High School Sixth Form Application Form**. This guide provides a comprehensive walkthrough of everything you need to know—from eligibility criteria to submission deadlines—so you can approach the process with confidence.

Understanding the Old Harbour High School Sixth Form Programme

Old Harbour High School's Sixth Form offers both Caribbean Advanced Proficiency Examination (CAPE) and Caribbean Secondary Education Certificate (CSEC) repeat programmes. The CAPE curriculum is designed to prepare students for university-level study, while the CSEC repeat option provides a second chance to improve grades for those who may have fallen short of their goals. The school is known for its strong emphasis on discipline, leadership, and community service, making it a sought-after choice for ambitious students.

Why Choose Old Harbour High School for Sixth Form?

Before diving into the application form, it helps to understand what makes this school stand out. Old Harbour High has a proud tradition of producing top-performing students who excel in national and regional examinations. The Sixth Form faculty comprises dedicated and experienced teachers who provide personalized attention. Furthermore, the school offers a range of extracurricular activities—from debating and sports to cultural clubs—that foster well-rounded development. For many students, it is not just about the academics but also about building a network and character that last a lifetime.

Eligibility Requirements for the Sixth Form Application

To be considered for admission via the **Old Harbour High School Sixth Form Application Form**, you must meet specific academic and age criteria. The school typically looks for candidates who demonstrate both potential and a strong work ethic.

Academic Prerequisites

- For CAPE: A minimum of five (5) CSEC subjects at Grades I, II, or III (or equivalent). These should include Mathematics and English Language. Some subject combinations may require specific prerequisites, such as a Grade I or II in relevant sciences or humanities.
- For the CSEC repeat programme: Students must have sat at least four CSEC subjects and wish to improve their grades. Priority is given to those who have already completed a full five-year secondary cycle.
- Transcripts or statement of results from your previous school will be required as part of the application.

Age and Other Considerations

Applicants are generally between 16 and 18 years old at the time of entry. However, mature students with exceptional circumstances may be considered on a case-by-case basis. Additionally, the school looks at the student's conduct record and recommendation from the previous institution. A clean disciplinary history is a strong advantage.

Step 1: Personal Information Section

Start by printing clearly in black ink or typing if using a digital form. Provide your full legal name, date of birth, address, telephone number, and email address. Double-check that your contact details are correct, as the school will use these to communicate with you about interviews and acceptance.

Step 2: Academic History

List all secondary schools you have attended, along with the years of attendance. Include your CSEC subjects and grades, or predicted grades if you are still awaiting results. Be honest—misrepresentation can lead to disqualification. Attach official transcripts or a certified copy of your results.

Common choices include Pure Mathematics, Biology, Chemistry, Sociology, Communication Studies, Caribbean Studies, and Literatures in English. Research the subject prerequisites and ensure your selections align with your career goals. For the repeat programme, list the CSEC subjects you wish to retake.

Step 6: Parent or Guardian Consent

If you are under 18, a parent or guardian must sign the form to indicate consent. The school takes this seriously, as it confirms parental support for your academic journey.

Required Documents to Accompany the Application

Missing documents are a common reason for incomplete applications. Ensure you have the following items ready when submitting your **Old Harbour High School Sixth Form Application Form**:

- Certified copy of your birth certificate
- Certified copy of your CSEC results slip or transcript
- Two recent passport-sized photographs (with name on the back)
- Letter of recommendation from your previous school (on official letterhead)

- Any relevant reports or certificates for extracurricular achievements

Make photocopies of everything for your own records. Original documents should be presented at the school's request but are often not required for initial submission.

Submission Methods and Deadlines

Timeliness is critical. The school typically announces a specific window for sixth form applications—usually between late May and early July, though exact dates may vary. To avoid last-minute stress, begin gathering documents at least a month before the deadline.

Submitting Online

If you are using the online portal, upload all scanned documents in PDF format. Ensure that file names clearly indicate the content (e.g., "JohnDoe_CSEC_Results.pdf"). After submission, you should receive a confirmation email. Keep this as proof.
